Report on the Audit of the Financial Statements

Opinion

We have audited the Accompanying financial statements of **United Group For Land Transport Co (Public Shareholding Company)**, which comprise the statement of financial position as at December 31, 2016, and the statements of comprehensive income, changes in owner's equity and cash flows for the year then ended, and notes, comprising significant accounting policies and other explanatory information.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as at December 31, 2016, and its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRS)

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

-Property and equipment:

The value of property and equipment shown in the financial statements represents 80% of total assets.

- In accordance with International Financial Reporting Standards (IFRS), the management reviews the useful life and the method of depreciation and performs a test for impairment of property and equipment (if any) through the use of assumptions and estimates and, because of the importance of such assets, is an important audit.

The most important audit procedures:

- Study and examination of the internal control systems related to financial operations related to property and equipment.
- Conducting an analytical and documentary study of additions and exclusions on property and equipment accounts.
- Verification of the actual existence and ownership of such property and equipment by the Company.
- Ensure the correct calculation of consumption and study management estimates of approved consumption rates.
- Verify that there is no indication of impairment in the value of the property and equipment that requires an impairment test.
- Validation of presentation, disclosure and accounting policies consistent with International Financial Reporting Standards.

Other Information

Management is responsible for the other information. The other information comprises the information included in the annual report, but does not include the financial statements and our auditors' report thereon. We expected that we will give the annual report after our report. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information when its available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with IFRS, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.
- We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
- We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
- From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

The Company has proper accounting records which are, in all material respects, consistent with the accompanying financial statements, accordingly, we recommend approving these financial statements by the general assembly.

**United Group For Land Transport Co
Public Shareholding Co., Ltd.
Amman - The Hashemite Kingdom of Jordan
Notes to the Financial Statements**

1- Company's Registration and Objectives

- United Group For Land Transport Co. (P.S.C) was established by virtue of the temporary Companies Law No (1) of , and was registered in the public shareholding companies record at the Ministry of Industry and Trade in the Hashemite Kingdom of Jordan under number (4223) on December 23, 1995 .

At the Extraordinary General Assembly meeting on 14 December 2005, it was decided to transfer the company from a limited liability company to a public joint stock company The legal procedures were completed by the Ministry of Industry and Trade on August 15, 2006 The company was registered in the Public Shareholding Companies Register under No. 414 on September 5, 2006 at the same previous objectives

At its extraordinary meeting held on April 2012, the General Assembly decided to reduce the company's Capital become to JD 6,600,000 instated of JD 8,000,000 The legal proceedings were completed by the Ministry of Industry and Trade on MAY 17 , 2012

the attached financial statements was approved by the Board of Directors Meeting No. (2) on February 7, 2017 and are subject to approval by the general assembly of shareholders.

2- Basis of preparation

General

The financial statements of the company have been prepared in accordance to International Financial Reporting Standards .

The financial statements have been prepared on historical cost except financial assets and liabilities which appears on fair value.

The financial statements are presented in Jordanian Dinars (JD) which is the financial currency of the company .

3- Use of estimates

The preparation of the interim condensed financial statements requires management to make estimates and assumptions that affect the reported amount of financial assets and liabilities and disclosure of contingent liabilities . These estimates and assumptions also effect the revenues and expenses and the resultant provisions and particular , considerable judgment by management is required in the estimation of the amount and timing of future cash flows . Such estimates are necessarily based on assumptions about several factors involving varying degrees of judgment and uncertainty and actual results may differ resulting in future change in such provisions .

The estimates are based on assumptions and factors with varying degrees of judgment and uncertainty and that actual results may differ from estimates due to future changes in the conditions of those provisions

Estimates and assumptions are reviewed on an ongoing basis by the management. Adjustments in accounting estimates are accounted for and recognized for the period in which they are adjusted and future periods that may affect the revision.

4- Significant Accounting Policies

The accounting policies set out below have been applied consistently to all periods presented in these financial statements, and have been applied consistently by the Company.

Accounts Receivables

Accounts receivable are stated at their net realizable value net of a provision for doubtful accounts , bad debts were written off when identified and deducted from its stated provision and the collected amounts from debts are identified to revenues .

provision for doubtful debts

A provision for impairment of Accounts receivables established when there is objective evidence that the Company will not be able to collect all amounts due according to the original terms of receivables.

United Group For Land Transport Co
Public Shareholding Co., Ltd.
Amman - The Hashemite Kingdom of Jordan
Notes to the Financial Statements

Materials & spare parts in the warehouses

Raw materials and spare parts are stated at cost, is determining the cost according to the weighted average method

Offsetting

Offsetting of financial assets and financial liabilities is occurred and the net amount reported in the financial statements when the rights and legally enforceable right to offset the recognized amounts and the bank intends to either settle them on a net basis , or to realize the assets and settle the liability simultaneously

Property, plant and equipment

Property planet & equipments are recorded at cost and depreciated (except lands) over its estimated useful lives under the straight line method by using annual depreciation rates from 2-25 % .

An assets carrying amounts is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount , the impairment record in statement of comprehensive income .

The expected production life for assets is reviewed at end of the year , whenever ther are changes between the expected life and the estimated , the depreciation method is changed to depreciate on net book value based on the remaining production life after re-estimation from the year re-estimated on .

When there are no expected economic benifits from usage , that item will be written down immediately

Accounts payable

The accounts Payable and accrued amounts are recognized upon receipt of the goods by the company, whether billed by the supplier or not.

United Group For Land Transport Co
Public Shareholding Co., Ltd.
Amman - The Hashemite Kingdom of Jordan
Notes to the Financial Statements

22- Risk management

Financial instruments consist of financial assets and liabilities. The Financial assets include bank balances, cash in hand, account receivables and checks on collection and the Financial liabilities include account payables.

Fair value

The fair values of financial assets and liabilities are not materially different from their carrying values as most financial instruments are either short-term in nature or continually repriced.

Credit risks

Credit risk is the risk that may arise from the default or inability of debtors and other parties to meet their obligations to the Company.

The company believes that it is not exposed to the risk of collection because its transactions are in cash, and the company maintains balances and deposits with leading banking institutions.

Liquidity risks

Liquidity risk is the risk that the Company will not be able to provide the necessary funding to meet its due dates. To avoid these risks, the Company diversifies its sources of finance, manages and adjusts its assets and liabilities and maintains an adequate balance of cash and cash equivalents.

Interest rate risks:

The Company may be exposed to interest rate risk on its financial assets and liabilities that appear interest, such as: banks. Once bank overdrafts are short-term ones, and other assets and liabilities do not bear any interest rates, so the risks that may affect the Company are insignificant.

Foreign currency risk

Most of the company's transactions are in Jordanian Dinars and US Dollars. The dinar is pegged to a fixed rate with the US Dollar, and therefore the impact of currency risk is not significant to the financial statements.

23- Capital management

The main objective of the Company's capital management is to ensure that appropriate capital ratios are maintained in a manner that supports the Company's activity and maximizes equity.

The Company manages the capital structure and makes necessary adjustments in light of changes in working conditions. The Company did not make any changes to the objectives, policies and procedures related to capital structure during the current and previous financial year.

The items included in the capital structure consist of paid up capital, issue premium, voluntary reserve, voluntary reserve and retained earnings totaling JD 10,793,543 as of December 31, 2016 against JD 10,178,841 as of December 31, 2015

24- Issues

The value of the cases against the company as of December 31, 2016 amounted to JD 20,200 and is still pending in the courts.

Comparative

Some of comparative figures have reclassified – when needed – to confirm with current year's figures.
