REPORT ON REVIEW OF INTERIM CONDENSED FINANCIAL STATEMENTS
TO THE BOARD OF DIRECTORS OF
JORDAN VEGETABLE OILS INDUSTRIES
PUBLIC SHAREHOLDING COMPANY
AMMAN - JORDAN

#### Introduction

We have reviewed the accompanying interim condensed financial statement of Jordan Vegetable Oils Industries (The Company) comprising the interim statements of financial position as of 31 March 2017, and the related interim statements of profit or loss, comprehensive income, changes in equity and cash flows for the three-months period then ended, and explanatory notes. The Board of Directors is responsible for the preparation and presentation of these condensed interim financial information in accordance with IAS 34 "Interim Financial Reporting". Our responsibility is to express a conclusion on these condensed interim financial information based on our review.

## Scope of review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the independent Auditor of the Entity". A review of Interim financial information consists of making inquiries, primarily of persons responsible for the financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

#### Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed financial statements are not prepared, in all material respects, in accordance with IAS 34.
