

Transaction Cost

Brokers receive commissions calculated on the basis of the market value of both buying and selling transactions of the security, according to the following table:

Security	Lower Limit (JD)	Upper Limit (JD)
Shares	JD 5.4 per thousand JD	JD 7.4 per thousand JD
Bonds	JD 0.45 per thousand JD	JD 0.95 per thousand JD
Investment Units	JD 2.0 per thousand JD	JD 2.2 per thousand JD

* The lower limit for shares transactions that exceed JD 100000 is JD 3.4 per thousand JD.

* A rate of 0.0008 of the traded securities' Market Capitalization shall be added from each party as a tax received by the treasury.
